(Park of Alcornocales) You can enjoy the natural charming surroundings of the resevoir Barbate, the Picacho mountain and the beaches that are 30 minutes

	<p>away. The town is situated 45 minutes away from the capital of the province, Cádiz and other cities such as Jerez, Algeciras, El Puerto de Santa María etc. Being in a small town there are not many opportunities to go out but people go out to the surrounding cities for that.</p>
<p>Traveling to the education center</p>	<p>The only type of transportation that comes to the town is the bus.</p> <p>The company MonBus has a bus going to Sevilla and Algeciras. It stops at other towns on the way. If you would want to go to bigger cities, you need to take buses to Jerez, Sevilla or Algeciras and take another route from these places. (www.monbus.es). These should only be used for traveling and not as a reliable source of transportation to the school every day because they only come once a day.</p> <p>Price Alcalá-Sevilla: 14.24€ (One-way)</p> <p>The company COMES (www.tgcomes.es) has a bus from Alcalá to Cádiz.</p> <p>Price Alcalá-Cádiz: 7.74 € (One-way)</p> <p>Other options for travelling to other cities: Taxi +34 607 64 31 88; BlaBlaCar app</p> <p>There are co-workers that come to the school from Jerez, El Puerto de Santa María, San Fernando, Chiclana de la Frontera, etc... You have the option of sharing a car if you decide to live in one of those places.</p>
<p>Accommodations</p> <p>-Where do you live in the locality?</p> <p>-Is it possible to live with a family?</p> <p>-Is there a possibility of sharing a house with a teacher?</p>	<p>To rent a house in the locality, the two educational centers will offer you contacts for the tenants. There is no difficulty when renting a home.</p> <p>As of now, there has not been a family that has offered to accommodate a language assistant.</p> <p>There's always a possibility of sharing a home with a teacher that lives in the village.</p> <p>Additional options: Idealista is an app that is common to use in Spain to search for a room or house.</p>
